ASSOCIATED EVENTS:

Anaesthetic Crisis Management Workshop

FRIDAY SEPTEMBER 15, 2017

Middlemore Hospital Simulation Unit, South Auckland

8.30am-Midday

This half-day session is designed to give participants a multifaceted opportunity to learn about and practise anaphylaxis crisis management. The session starts with a short tutorial.

Participants will then be divided into groups of six and rotate around three stations, two simulation stations and one informal case based discussion with an anaphylaxis expert. Coffee and morning tea provided. Transport will be arranged into the city afterwards. Maximum 18 participants. Registration open to ANZAAG registrants.

This event has been accredited by the ANZCA CPD Program under the Emergency Response Category.

ANZAAG/ASCIA Drug Hypersensitivity Symposium

(Register via ANZAAG or ASCIA conference registration)
