SEPTEMBER 14-16, 2018 SUNSHINE COAST UNIVERSITY HOSPITAL & NOVOTEL TWIN WATERS, SUNSHINE COAST

## PROGRAM

**FRIDAY SEPTEMBER 14, 2018**

**Anaesthetic crisis management workshops**

**8am - 12pm and 1 - 4pm**

**Sunshine Coast University Hospital**

The Anaesthetic Crisis Management Workshop at ANZAAG 2018 will be held at the Sunshine Coast Health Institute, a modern, purpose built simulation facility. The workshop will be designed and facilitated by Sunshine Coast Medical Education, a team of practising specialist anaesthetists who have expertise in medical education and simulation. They provide medical education and training to medical professionals that is relevant, up-to-date, and of high quality.

Pre-reading – will be emailed prior to the workshop. Click [here](#) to access this now.

The workshop will include

- Multi modal learning
  - A presentation reinforcing the main aspects of the pre-reading and the workshop
  - A group presentation on the use of the ANZAAG Cognitive Aids
  - 2 case based discussions
  - 2 team based high-fidelity simulations with debriefing on technical and nontechnical skills.
- Each participant will participate in one simulation and observe another
